**Board of Architectural Review
Certificate of Appropriateness Application**

Case No.: _____
Date: _____

BAR Action: _____
Date: _____

Chapter 156 of the Code of Ordinance of Dayton, Kentucky, requires submission and approval of a Certificate application by the Board of Architectural Review before any exterior portion of any property (including walls, fences, light fixtures, colors, steps, parking lots, or other appurtenant features), utility, or sign, shall be erected, restored, moved, or demolished.

Issuance of the Certificate of Appropriateness is not a permit to construct, remodel, or demolish. Applicant is responsible for obtaining all such required permits from their proper departments.
