

# City of Dayton Request for Proposals

## Underground electrical and conduit work for new ornamental street lights.

---

**February 22, 2018**

**City of Dayton  
Michael Giffen, City Administrator**

**Due Date:** March 23, 2018  
**Due Time:** 4:00 PM EST  
**Location:** City Hall / City Administrator's Office  
514 Sixth Avenue  
Dayton, KY 41074

## **SECTION 1 - INTRODUCTION**

### **1.1 PURPOSE**

The City of Dayton, Kentucky (City) is requesting that qualified firms submit bidding proposals to perform underground electrical and conduit work for the future installation of six (6) LED ornamental street lights at the intersection of Sixth Avenue and Walnut Street, Vine Street, and Ervin Terrace in Dayton, Kentucky (See Section 2.3)

### **1.2 REQUEST FOR PROPOSALS**

Submission and award of bidding proposals is not a guarantee of work or a professional services contract. Any firm selected for a contract through this process must agree to the terms and conditions of the approved scope and fees as agreed upon during negotiation with the contracting parties.

## **SECTION 2 - INSTRUCTIONS**

### **2.1 GENERAL**

Bid proposals should be delivered to the address listed below in a sealed envelope marked, "Bid Proposal – Dayton Street Light Project – Electrical". All bid proposals must be received no later than **4:00 P.M. Eastern Standard Time on Friday March 23, 2018** in the Office of the City Administrator. Submittals received after the specified time and date will not be considered and will be returned unopened. Submittals may be mailed or hand delivered. The responsibility of timely delivery is entirely up to the sender. All submittals and all questions pertaining to this Request for Proposals shall be directed solely to:

Michael Giffen  
City Administrator  
514 Sixth Avenue  
Dayton, Kentucky 41074  
Phone: 859.491.1600  
Email: mgiffen@daytonky.com

The City of Dayton reserves the right to reject any and all submittals.

### **2.2 BID PROPOSAL CONTENT**

- Each proposal should include the full cost for all underground and above ground electrical, conduit and concrete work needed for future installation

of Six (6) Ornamental Street Lights at the desired location listed in Section 2.3.

- Approximately 250 linear feet of conduit run from 6 electrical poles to designated sites listed in Section 2.3
- Any sidewalk or road way excavation will be the responsibility of the contractor to repair in a professional manner.

### 2.3 LOCATION

Six (6) LED ornamental street lights at the intersection of Sixth Avenue and Walnut Street, Vine Street, and Ervin Terrace.

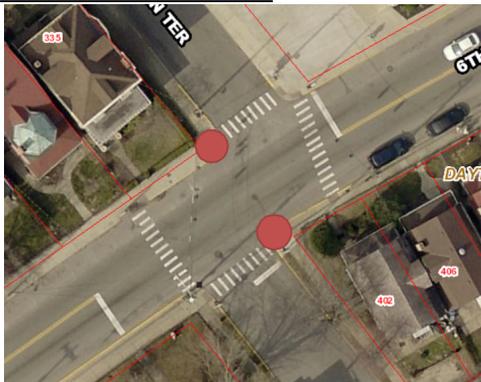

6<sup>th</sup> & Walnut Street

6<sup>th</sup> and Vine Street

6<sup>th</sup> and Ervin Terrace

## **SECTION 3 - EVALUATION**

The City of Dayton administration will review the bid proposals and recommend to Dayton City Council the lowest and best proposal received.
