RE: Weekly Report

DATE: November 9, 2018

Administration Overview

Bids were collected for Phase I Construction of Riverfront Commons at 3:30PM on Friday. Those bids will be presented to Council at the next Council Meeting for acceptance.

The Comprehensive Plan Committee will present their Goals and Objectives for public comment on Tuesday November 13th at 7:00PM at the school admin building located at 200 Clay Street. [A draft of the Goals and Objectives can be found online for review.](#)

There has been issue after issue with the paving crew, combined with terrible weather. We apologize for the inconvenient this has caused some residents. The scheduling has been out of our control. Bluegrass Paving is hoping to get in on Sunday to do some work and finish up early next week.
