

City of Dayton
Memorandum

TO: Mayor and Council

FROM: Michael Giffen, City Administrator

RE: Weekly Report

DATE: October 11th, 2019

Administration Overview

As previously reported, Republic Services will be updating the trash schedule in the City of Dayton starting next week. Dayton residents will still receive trash pick-up **ONCE PER WEEK** but your date of service will be either Wednesday, Thursday, or Friday based on location. Republic has sent flyers alerting you of the change, but we are being told they went out extremely late. Also, contrary to the notice you should have received from Republic, the date of recycling will NOT be changing. All city recycling will be picked up every other Thursday as in the past.
